Vice President of Access and Accountability

The Navarro College Fact Book, published annually, provides a detailed profile of the district, including data on students, employees, programs, and services. The Office of Access and Accountability is responsible for assembling the information and data included in the 2014-15 Fact Book. Other key resources used include the Texas Higher Education Coordinating Board (THECB) and Integrated Postsecondary Education Data System (IPEDS).

The Office of Access and Accountability endeavors to ensure accurate data included in the Fact Book. We hope you find the data presented in this report useful and readable. Should you have any questions about the information presented or suggestions for next year's Fact Book, please feel free to contact us: 903-875-7376 or email dewayne.gragg@navarrocollege.edu

History of the College

In the spring of 1946, a group of local citizens met to form a steering committee for the purpose of establishing a junior college in Navarro County. In a general election held July 16, 1946, voters approved the creation of Navarro Junior College and authorized a county tax to help finance the institution. In that same election voters chose a seven member board of trustees to govern the College. The first students began classes in September, 1946. Most of the 238 members of that first student body were returning veterans from World War II taking advantage of assistance available under the newly enacted GI Bill. The first campus of Navarro College was the site of the Air Activities of Texas, a World War II primary flight school located six miles south of Corsicana.

In 1951 the campus was moved to its present location, a 47 acre tract west of downtown Corsicana on State Highway 31. The campus has expanded to 103 acres with 23 buildings. In 1954 Navarro was accredited by the Southern Association of Colleges and Schools. The accreditation was reaffirmed in 1964, 1974, 1985, 1995, and again in 2006.

In 1974 the College broadened its philosophy and purpose to encompass the comprehensive community based educational concept, adding occupational education programs and implementing new education concepts including individualized and self-paced instruction and the use of audio-tutorial instructional media. In keeping with the new educational role, the word “junior” was dropped from the Institution’s name, and the official name Navarro College was adopted by the Board of Trustees. In an attempt to address the growing needs of its service area, which consists of Navarro, Ellis, Freestone, Limestone, and Leon counties, the College began offering courses in various locations in those areas in the early 1970s and eventually established two permanent centers, Navarro College South at Mexia and the Ellis County Center at Waxahachie. In January 2006, a new campus in Midlothian opened to better serve students in the Midlothian area. In 2014 Navarro established a campus in Fairfield with a focus primarily on vocational and technical programs to serve communities in Freestone, Limestone, and Leon counties.

Navarro College has had six presidents: Mr. Ray Waller, the founding president served until his death in 1956. Dr. Ben W. Jones served from 1956 until 1973. In 1974 the Board named Dr. Kenneth P. Walker as president, and he served until 1988. Dr. Gerald E. Burson joined the College in 1989, serving until his retirement in January of 1998. The Board named Dr. Richard Sanchez as Navarro’s fifth president in 1998, and he served until his retirement in 2013. In September 2013 Dr. Barbara Kavalier began her administration as Navarro’s sixth president.

Mission and Goals

Mission Statement

Navarro College provides educational opportunities that empower students to achieve their personal, academic, and career goals and that promote life-long learning for all communities.

Strategic Goals

Set the Path to Success

Goal 1: Create, maintain, and improve a pathway where students are guided through an enriched educational experience and the potential individual success of each student is maximized.

Empower and Support Student's Journey to Success

Goal 2: Provide students individualized support throughout the education process ensuring each student is empowered to learn and is fully informed of choices and opportunities.

Develop and Sustain Our Resources to Deliver Optimal Educational Opportunities

Goal 3: Ensure resources are adequate for their intended purpose and are sustained and continuously upgraded as we advance the mission of the College.

Ensure Institutional Effectiveness and Transparency

Goal 4: Advance and maintain a culture of ongoing accountability and transparency to those we serve and to whom we are responsible.
